Linking Families / Parent Support Programs (KVP)

The Volunteer Program offers practical and social support to families with children 0-3 years living in the Liverpool, Bankstown and Fairfield Local Government Areas. The Professional Home Visiting Program provides parenting support through sustained home visiting to young parents under 24 years of age with children 0-2 years. Families receive regular visits in the antenatal period, continuing to around 2 years of age. Referrals are by Health Care, Community Agency Professionals, or by self referral.

Connecting Carers NSW

Funded by the Department of Community Services, this service provides foster and kinship carers across NSW with access to ongoing training, education and peer support. Foster carers are given up to date advice and information to support them in caring for children and young people in Out of Home Care. Foster Carers can also access 24 hour support through the CCNSW Support Line 1300 794 653.
